## **“Pasewalk Avenue west of 13<sup>th</sup> Street closing temporarily for construction”**

Pasewalk Avenue just west of 13th Street in Norfolk will be closed for street repairs beginning Tuesday August 16, 2016.

According to John Heine, Staff Engineer for the City of Norfolk, the portion that will be closed begins at the intersection of Pasewalk Avenue and 13th Street and extends west on Pasewalk Avenue to South 13th Place—about 300 feet from the intersection.

The westbound left turn lane on Pasewalk Avenue east of 13th street will also be closed for construction.

Heine asks that motorists use caution

when traveling in the area and consider taking an alternate route during construction. The project is estimated to take up to 30 days until completed.
